Bullying Report Form

General Statement of Policy Prohibiting Bullying

An act of bullying, by either an individual student or group of students, is expressly prohibited on school district property or at school-related functions. The Bullying Prohibition Policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. Bullying Prohibition Policy also applies to any student whose conduct at any time or in any place constitutes bullying that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student, other students, or employees.
