

**Prairie Creek Community School
Tuition Policy**

Staff Development Specific to Special Education

1. Purpose:
 - a. The purpose of this policy is to provide staff development for staff specific to special education topics.

2. General Statement of Policy
 - a. All staff are eligible to participate in training, courses, workshops (including graduate level courses) pertaining to special education practices, students, and issues at the school's expense, contingent on:
 - i. The request is approved by the director and special education director,
 - ii. Training is billed as "special education" by the offering agent, and
 - iii. Federal special education dollars are available for this expenditure

3. General Statement of Policy
 - a. In the event that coursework resulting in a completed certificate, licensure, or advanced degree, the staff completing that coursework, then is obligated to employment at Prairie Creek Community School for an additional two years beyond completion of coursework unless
 - i. The employee is released from employment,
 - ii. The position is terminated, or
 - iii. The tuition costs are reimbursed by the employee to Prairie Creek Community School.
