

Grade 2/Grade 3 Flexible Learning Day Activity Matrix* | Prairie Creek Community School

Here are some suggestions for things your child can do when school is closed.

Must do: Read for 30 minutes and do math activities for 30 minutes.

Select one additional option from Reading & Writing and at least one from each other column.

Please mark what your child did and return this sheet when they come back to school.

Reading & Writing	Mathematics & Science	Social/Emotional	Create
Read a “just right” book for at least 30 minutes. If possible, read the book sent from school.	Collect data. You may measure the amount of snow. Record the high/low temperature. Survey individuals about their favorite _____ (choose a topic). Graph results.	Play a game with someone at home: Pictionary, Qwirkle, Boggle, Bananagrams, Sorry!, Farkle, Clue, Set, Chess, Checkers... Or any board game!	Create a maze. Create using fuse beads or play-doh. Take a picture of draw what you made and send it to a teacher!
Read aloud to someone. It may be a younger sibling, an adult or even your pet.	Play a game from your math binder OR a card/dice game that requires adding/subtracting with someone.	Write a thank you note to someone who has been helpful to you or has been a good friend. Tell them why!	Make something using legos, blocks, or any other building materials you might have at your home.
Do a page of writing: a poem or story about winter, your snow day, your family. Or choose a picture from a book and create a story about it.	Create a map for your dream house as a bird’s eye view. Include the name of the polygons you use, the perimeter, etc.	Ask your parent or caregiver what chore you can complete for them. Helping around the house is an important way to show responsibility!	Draw, color or do some origami for 20 minutes. Or create a structure from cardboard or paper.
Write a letter to a family member, friend or teacher.	Bake or cook something with an adult. Read the recipe and do the measuring.	Play outside for at least 30 minutes if it is safe to do so. Your caregiver can decide if it is safe.	Pick a Spanish activity from the back side of this sheet
Reading/Writing worksheet	Math worksheet from school or online website	Interview an older adult and ask them about a snow day memory.	Pick a music activity from the back side of this sheet
Research and write about nonfiction topic.	Online math work or app	Send an email to your teacher	Pick an art activity from the back side of this sheet

Child’s name _____

Caregiver Signature: _____ Date: _____

Spanish: Teach/play the Cho-co-late hand game with an adult

<https://youtu.be/zWCLNACNObg>

Make a list of five household items. Have an adult help you translate the items into Spanish! Make labels for them so that you can practice using these Spanish words at home.

Make some homemade champurrado! Recipe and instructions here:

<https://muybuenocookbook.com/2010/12/champurrado-mexican-hot-chocolate/>

Art:

Create a collage of your favorite animal!

Material ideas: paper, newspaper, magazines, photographs, food items, found objects, nature

Create an art lesson using ideas from this fun website:

www.deepspacesparkle.com

Find color, shape, texture, and pattern around you! Create an art piece inspired by these elements of art! Ideas could include: texture rubbings, color and shape painting/drawing, drawing patterns.

Music:

Practice your recorder if you have one at home. Show your family how to play with a warm, soft sound.

Improvise your own musical piece using the notes we've learned in class (C, B, A, G, E, D)

Create your own musical instrument using objects found around the home!
